Overview

This Release Bulletin announces firmware version 3.1.4.3002 for Nox A1s and T3s devices.

- Nox T3s Firmware - 3.1.4.3002
- Nox A1s Firmware - 3.1.4.3002

This firmware release adds support for a wider range of SD card types to help reduce the risk of component shortages while maintaining compliance with current device specifications.

Downloading Firmware

The firmware can be downloaded from different download locations and is available on the Nox Support Site.
